End of Jeppesen Chart Print Services

Dear Customer

Following our earlier communication regarding Jeppesen's plan to phase out chart printing services by **31 October 2026**, we want to provide you with detailed information about your current paper chart subscription(s) and the handling moving forward.

Your paper chart subscription(s)

[Coverage Code], [Coverage Name].

expires on **DD MMMM YYYY** and we will initiate the renewal process within the next weeks.

To support your paper chart subscription as long as possible towards October 2026, we will send you the standard renewal notice. Please note that, for process reasons, this renewal notice will reflect the usual one-year subscription period, even though the paper chart service will conclude on **31 October 2026**. If you wish to continue your paper chart subscription, please proceed with the payment as usual.

Effective 1 November 2026, all remaining paper chart subscriptions will be terminated, and a credit will be issued for any unused subscription period beyond that date.

This standard process is applied to minimize any extra handling efforts and to ensure you can continue using paper charts until the official end date. If you would prefer to transition to digital charts earlier or discontinue paper charts entirely, please do not hesitate to contact your Customer Service Representative. We are here to assist you in finding your best possible option leveraging special transition offers.

Thank you for your understanding and continued partnership.

Yours sincerely,

Jeppesen
