

**ENROUTE CHARTS
PACIFIC**

This chart depicts the establishment of Iwakuni temporary reserved airspace (ITRA) for flight training and/or testing within Japan airspace. The altitude and exact date and time will be notified by further RJJJ NOTAM.

When ITRA-E is active the following flight planned routes may only be available with ATMC coordination.

G597 (FL250 or BLW: between DANJU and LANAT)

G585 (FL250 or BLW: between XZE and SAPRA)

Y38 (FL250 or BLW: between STAGE and SAPRA)
