

# Rostering Introduction

## Course Description

This course addresses beginners not familiar with crew rostering and preferential bidding concepts. Experienced planners with no or little knowledge of the Jeppesen Crew Rostering system should begin with the course [Rostering I](#).

### *Prerequisites*

None

### *Duration*

1 day

### *Course goals*

This course gives you an introduction to standard crew rostering and preferential bidding concepts. After completing the course you will have a thorough understanding of:

- complete planning process
- planning concepts
- crew rostering problem objective and complexity
- preferential bidding
- complicating factors.

### *Course topics*

- The complete planning process
- Overview of Jeppesen Crew products
- Planning concepts
- Rules
- Planning objective
- Preferential bidding
- Complicating factors

All exercises are done using a generic flight data and rule set.
