

Training Product Update

The Jeppesen Flight Crew FAR/AIM e-book provides the most complete offering of current Federal Aviation Regulations (FARs) for various flight crew operations (Part 121/135, dispatchers and ATPs) plus the Aeronautical Information Manual (AIM) in one publication.

It contains FAR Parts 1, 25, 63, 65, 91, 110, 117, 119, 120, 121, 129, 135, HMR 175 and TSA 1544, the AIM and Pilot/Controller Glossary. The full-color graphics are enhanced for better readability and reference tabs help you easily locate regulations and AIM chapters.

2019 Jeppesen Flight Crew FAR/AIM e-book

Item: 10403605-005

ISBN: 978-0-88487-667-0
