

Training Product Update

The 2019 Jeppesen FAR/AIM provides the most complete offering of current Federal Aviation Regulations (FARs) and the Aeronautical Information Manual (AIM) in one publication.

It contains FAR Parts 1, 3, 11, 43, 48, 61, 67, 68, 71, 73, 91, 97, 103, 105, 107, 110, 119, 135, 136, 137, 141, 142, NTSB 830, and TSRs 1552 and 1562, the AIM and Pilot/Controller Glossary. The full-color graphics are enhanced for better readability and reference tabs help you easily locate regulations and AIM chapters.
