

## Training Product Update

### GFD PRIVATE PILOT KNOWLEDGE TEST GUIDE

Updates to item 10001387 version -024 (print)/11049071 version -001 (e-book), published March 2019 include:

- The most recent (June 2018) figures in the FAA Knowledge Test Guide Supplement.
- Question additions, deletions, and updates that reflect the new FAA sample test questions and the changes outlined in the October 2018 edition of the FAA's *What's New and Upcoming in Airman Testing*.
- ACS code updates for all questions to match the June 2018 release of the *Private Pilot — Airplane Airman Certification Standards (ACS)*.

### Product Description

The *Private Pilot Knowledge Test Guide* helps students understand the learning objectives for the test questions so they can take the FAA knowledge test with confidence. The test guide contains sample FAA Private Pilot test questions with correct answers, explanations, and study references. Questions are organized by topic and correlate with the chapters of the *Guided Flight Discovery Private Pilot* textbook. Full-color figures identical to the figures on the FAA test are also included. The test guide is intended to supplement instructor-led ground training.
