

2022 Discontinued Paper Airway Manual Coverages

Many of our smaller regional Airway Manual paper coverages have declined to such low subscription quantities that it is regrettably no longer viable to maintain them. The following paper coverages are being discontinued in 2022. Any affected coverages will be supported up to their renewal date, but they will not be available for renewal and renewal notices will not be issued.

Affected customers may elect to transition to a digital version of the same coverage, or an available, larger paper coverage that is shown in the right-hand columns.

Please find more details about transition options at: jeppesen.com/coverageupdates
